# CACFP At-Risk (3rd Meal)

CACFP Agreement #: DC-_____

District Name:_____

Will meals be served after school ends? Yes ☐ No ☐

List Meal times-

Supper:_____

Snack:_____

Do these meal times match what is listed on your current application? Yes ☐ No ☐

Will meals be served during the "Extended Learning Hour"? Yes ☐ No ☐

If yes, I understand this means meals may be served after the official school day has been completed, which is after 6 hours of education, but the school day must extend 1 hour past that requirement. This means the school day must contain 7 full hours of education and the meal may be served during that last hour, which is referred to as the "Extended Learning Hour".

☐ I certify that I understand the requirements to be eligible for and serve meals during the "Extended Learning Hour"

This form must be submitted, along with the new school year bell schedule for the sites that participate in the At-Risk Program (3rd meal). Please return to Kassi Reddell. Claims for August and September will not be allowed until this information has been received and approved.
