The Sponsoring Organization (SO) must ensure that none of its principals or responsible persons participating in the Child and Adult Care Food Program or any other USDA Food and Nutrition Program have not been convicted of any activity that indicates a lack of business integrity within the past seven (7) years. A lack of business integrity includes fraud, antitrust violations, embezzlement, theft, forgery, bribery, falsification or destruction of record, making false statements, receiving stolen property, making false claims, obstruction of justice, or any other activity indicating a lack of business integrity.

The SO must search the NDL system for all principals and responsible persons associated with their sponsorship to verify if they have not been convicted of an such activity. The search results must be maintained with the SO's records.

To search the NDL, you must create a Level 1 eAuthentication account by clicking on the following link:

<https://snp.fns.usda.gov/ndlweb>

Registering for an account with Level 1 access is easy. You will create a brief customer profile, User ID and password for your USDA account. You will then receive a confirmation email from USDA asking you to respond to the email to confirm your account within seven (7) days. If you do not respond to the email asking you to confirm your account within seven (7) days, you will have to restart the registration process by creating another profile and will need to select a new User ID.

Once you have confirmed your online registration, you will have immediate access to USDA portals and applications that accept accounts with Level 1 access.

OKLAHOMA STATE DEPARTMENT OF EDUCATION
CHILD AND ADULT CARE FOOD PROGRAMS
ELECTRONIC SYSTEM FOR APPLICATION AND CLAIMS SUBMISSION

MULTI-SITED INSTITUTIONS

HOW TO FILE CLAIMS

1. Log in to CACFP Web site at: <https://cnp.sde.ok.gov/CACFP>. Click on “Enter Claims,” which appears at the top of the gold side menu. At this point you will be required to log in again. Enter your agreement number and click on “Find Facility.” Click “Select” to the left of your agreement number. This will change the color of the background to your facility name and numbers as it brings you to the grid. Click “Enter Claims” directly below the “Select” button.
2. From this “Claims Entry” page, using the drop-down menu, select the MONTH of the claim you want to enter. Type in the current year in the full four-digit format. Click “Search.” (Should there be a message appear saying “No claims entered for this month,” click “Verify Eligibility.”) This will bring up a Claim Grid listing for the month to be submitted and the status of that claim. From the Claim Grid, click “Select.” **DO NOT CLICK ON “ADJUST”!** This action will cause issues that can be solved only by calling the State Agency.
3. This will bring up a second Claim Grid showing each of your entities’ approved sites. Click on “Select” for one site at a time and begin to enter claim data for the month. When clicking “Select” to the left of the first site, there will be a change of color to the background for that site whose claim data you are about to enter. Once the color has changed, scroll down the page and begin entering data **FOR THAT PARTICULAR SITE. Only** the column of boxes for meals you have been approved to serve will be **UN-shaded**, allowing you to input data. Click on each box before entering the numbers rather than using the TAB button. There **MUST** be a number in **All** boxes; therefore, use “0” rather than leave the box blank in appropriate columns.
4. When site data has been entered, click “Calculate.” This will automatically calculate the total for **THIS SITE**. Click “Save.” A box will appear mid-screen stating, “Please remember to submit your claims from the Claim Summary page.” Click “OK.” This will take you back to the Claim Grid showing each of your entities’ approved sites. You will now see the claim total for the site just entered and saved. **Repeat steps 3 and 4 for each of the sites for which you are approved.**
5. Once claim data for **ALL sites** have been entered and “Saved,” as in all previous steps, a box will appear mid-screen stating, “Please remember to submit your claims from the Claim Summary page.” Click “OK.”
6. You will be brought to a screen to complete the **final step** in submission of your claim. Click on “View Claim Summary.” This will once again bring up your claim data including the total reimbursement for the entire multi-sited claim. Scroll to the bottom to “Date Signed” and enter the date claim is completed in the “00/00/0000” format. Click “Certify.” A box should appear in mid-screen that says “Claim Submitted.”
7. Congratulations! You have successfully submitted your claim!

MONITORING AND PREAPPROVAL FORMS

REVIEW OPTIONS

Sponsors are required to monitor food service operations of facilities under their administration annually.

- New sites must have a preapproval visit from the sponsor and OSDE before it can start to operate
- New facilities must have their first review during the first 28-days of operation.
- Each site must be reviewed three times per year and must include a meal observation.
- Sponsors must have a monitoring review cycle (*something to show when all monitoring reviews are scheduled for the year. i.e. a excel spreadsheet*)
- Each review must include counting and claiming procedures, the meal pattern. meal analysis where children are present and a five-day reconciliation of records.
- If a facility is found to be seriously deficient, the next review conducted must be an unannounced follow-up review. ***This review does not count toward the required reviews.***

MONITOR REVIEWS

A sponsoring organization (SO) must review food service operations at each facility. The United States Department of Agriculture (USDA) requires that multisited institutions include the following when fulfilling their monitoring responsibilities:

1. New child care facilities, outside-school-hours care centers, and homeless shelters must have a review conducted during the first four weeks of program operations.
2. Each child care facility, outside-school hours care center, and homeless shelter must be reviewed at least three times each year by the SO, with not more than six months elapsing between reviews.
3. There are two different methods in which a sponsor may conduct reviews to comply with USDA requirements:
 - a. Conduct one announced and two unannounced reviews of program operations to assess compliance with meal patterns, record keeping, and other requirements, with not more than six months elapsing between reviews. All reviews must be documented and kept on file.
 - b. An SO may do ***review averaging*** by conducting an average of three reviews per site per year. If an SO conducts one unannounced review* of a facility in a year and finds no serious deficiencies, the SO may choose not to conduct a third review of the facility that year and may make its second review announced, provided that the SO conducts an average of three reviews of all of its facilities that year and that it conducts an average of two announced reviews of all of its facilities that year. When the SO uses this averaging provision and a specific facility receives two reviews in one review year, the first review

in the next review year must occur no more than nine months after the previous review. If choosing this method, not more than nine months can elapse between reviews and all seriously deficient sites must have at least three reviews per year. If *review averaging* is selected, the SO must have a written plan with detailed procedures for tracking reviews. Each review must include a meal analysis where children are present. All reviews must be documented and kept on file.

* Sponsors must ensure that the timing of unannounced reviews is varied in a way that would ensure they are unpredictable to the facility.

c. All reviews shall include, at a minimum:

- CACFP meal patterns
- Licensing or approval
- Participation or attendance at sponsor training
- Meal counts
- Menus and meal records
- Enrollment form requirements
- Corrected problems from previous reviews
- Five-day reconciliation

4. Maintain on file at the SO's office all reports to the above areas of responsibility. Conduct annual training sessions, maintaining documentation as well as topics presented and names of participants.

3. Office Schedule, Notification, Pay Periods, and Holidays

What Is Required: The sponsor must be available during the days/hours as approved on the sponsor application.

Employees check in and out of the reception desk at the main _____ office or other area designated by the individual program director. If, for any reason, an employee will not be able to be at work on a given day, the employee is expected to call and inform his or her supervisor and/or the receptionist not later than _____ on the day of absence or as prearranged by a supervisor. The 30-minute lunch period should be taken as scheduled by the supervisor. All lunch periods are normally scheduled between _____ and _____. Lunch periods may not be added to the beginning or end of a day unless prearranged with a supervisor.

Employees will be paid semimonthly by check or direct deposit. The two pay periods will be the first through the fifteenth and the sixteenth through the last day of the month. Any change requires the approval of the Executive Director. An employee should notify his or her immediate supervisor if the employee believes the amount of the paycheck is incorrect. Since payroll is done before the pay period is finished, any necessary adjustments in pay will be made in the following pay period.

Independence Day
Thanksgiving Day and the following Friday

Memorial Day
Labor Day
Two days at Christmas

During subsequent years of employment, regular employees will earn leave time on the following basis:

Years of Employment	Vacation Days
Less than 5	6
6 - 15	10
16 - 20	15

Leave scheduling will be approved by the Executive Director or assigned supervisor. Employees will be able to carry over five unused days to the next year.

An employee who terminates employment will be paid for unused leave time.

If accrued/earned leave is depleted and the individual still requires additional time away from work, such leave may be taken without pay with the approval of the Executive Director.

Employees called for jury duty will be excused from work during such duty. The jury fee is retained by the employee, and no deduction will be made from the employee’s salary for absence during the period of duty nor is the absence charged against leave time. Employees released from jury duty during normal working hours are expected to return to work.

5. Compensation Policy

The following criteria are required for compensation adjustments:

- a. Overall outstanding annual performance evaluations.
- b. Reevaluation of job descriptions.
- c. Additional responsibilities assigned.

6. Termination

Employees may be terminated from any position at the discretion of the Executive Director.

- c. Simultaneous participation under more than one SO.
- d. Noncompliance with the Program meal pattern.
- e. Failure to keep required records.
- f. Conduct or conditions that threaten the health or safety of a child in care or the public's health or safety.

A lack of business integrity includes fraud, antitrust violations, embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, obstruction of justice, or any other activity indicating a lack of business integrity as defined by the State Agency or the concealment of such a conviction.
- h. Failure to participate in training.
- i. Any other circumstances related to nonperformance under the SO agreement, as specified by the SO or the State Agency (including, but not limited to, fully and permanently correcting areas of noncompliance previously sited).

The SO must INITIATE action to terminate the Application/Agreement of a site/staff member for cause if the SO determines the site has committed one or more serious deficiency listed above.

NOTE: Any site who submits a claim in which adjustments result in a 25 percent or more error rate will be declared seriously deficient (see Payment Voucher/Disbursement Records). SO must include a citation for the relevant serious deficiency in the regulations at 7 CFR 226.16(l)(2). If the serious deficiency is not specifically listed, cite: 7 CFR 226.16(l)(2)(ix), any other circumstances related to nonperformance under the SO/site agreement.

8. Proposed Termination/Proposed Disqualification

What Is Required: A Site must be proposed for termination and disqualification if an inadequate corrective plan or no corrective action plan is submitted to the SO. The notice of proposed termination/proposed disqualification must include the following:

- A statement that the site may appeal the proposed termination/proposed disqualification and instructions on how to appeal.
- An indication that the site will receive program payments during the period of appeal—usually he or she will.

- A statement that indicates that if the site VOLUNTARILY terminates the agreement after he or she receives the Notice of Serious Deficiency, the sponsor will still proceed with the proposed disqualification.
- The letter must be sent by certified mail, return receipt requested, or an equivalent private delivery service, fax, or e-mail as required by §226.2 in the regulations.

9. Appeal Procedures

What Is Required: Each SO must develop appeal procedures for sites. These procedures must be distributed to each site annually.

- a. The SO must offer an appeal to a site only when the intent of the SO is to terminate the site's agreement for cause or when the intent of the SO is to suspend the site's participation in the CACFP.
- b. A site will be notified by letter must be sent by certified mail, return receipt requested, or an equivalent private delivery service, fax, or e-mail as required by §226.2 in the regulations, of the grounds upon which the SO based its action. The notice will inform the site of his or her right to appeal. The site may request a review of the records. Upon receipt of such a request, the SO will appoint a review official to conduct a review.
- c. The written request for a review of records must be filed by the site no later than the number of calendar days established by the SO. The number of days established by the SO days shall begin on the day the notice of action was received. The SO will acknowledge the receipt of the request for appeal within the time frame established by the SO.
- d. The site may refute the information contained in the notice of action in person or by written documentation presented to the review official. The site must have the opportunity to review the record on which the sponsor's action was based. In order to be considered, written documentation must be filed with the review official not later than the time frame established by the SO. The time frame shall begin on the day the notice of action was received. The site may be represented by legal counsel or another person; if legal counsel is to be present, the SO must be notified of the counsel's name and address. The following applies to the appeal for a review of records:
 - Upon receipt of an appeal requesting a review of the records, the review official will notify the site and the SO of the timelines for submission of documents.
 - Written notification submitted after the review official's timeline will not be considered.
 - Failure to submit written documentation to refute the action taken by the SO within the time frame will constitute the site's waiver of the appeal, resulting in the action taken by the SO being upheld.
- e. Sponsors may choose to offer in-person hearings, but there is no requirement that they do so. The person hearing the appeal must be independent and impartial, and he or she must NOT have been involved in the action that is the subject of the appeal. Also, he or she must NOT have a direct personal or financial interest in the outcome. The hearing official may be an employee or board member of the sponsor or a contractor, such as a member of a statewide sponsor association.
- f. Documents and information relating to the site and the action taken will be available for inspection and copying pursuant to the Open Records Fee Schedule at the office of the SO.
- g. The review official will be an independent and impartial official other than, and not ac-

- countable to, any person authorized to make decisions that are subject to appeal.
- h. The review official will make a determination based on information provided by the SO, the site, and the laws and regulations governing the CNP.
 - i. Within the established time frame, the review official's determination must be delivered to the site and the SO.
 - j. Participating sites may continue to operate under the Program during an appeal of proposed termination unless the action is based on imminent danger to the health or welfare of participants. If the site has been terminated for this reason, the SO must specify this in its notice of action.
 - k. The determination by the review official is the final administration determination to be afforded to the site.
 - l. Pursuant to the federal regulations, appeals will not be allowed on decisions made by FNS.

10. Suspension/Termination

What Is Required: There is only one reason for suspending a staff member. For an imminent threat to the health or safety of participants or the public. Because the law does not allow sites to be suspended for submitting false or fraudulent claims, there is no suspension review for sites.

- Step 1: The sponsor discovers the imminent threat and immediately informs the health/safety licensing authority.
- Step 2: After informing the appropriate authority about the problem, the sponsor immediately sends a Notice of Suspension to the site that:
- Identifies all serious deficiencies that constitute the imminent threat.
 - Informs the site that its participation is suspended as of the date of the notice.
 - Allows no time for corrective action to the site.
 - Proposes to terminate the site's agreement for cause.
 - Proposes to disqualify the site and the site.
 - Outlines the procedures for appealing the suspension, proposed termination, proposed disqualification, and the _____ - day time frame. (This appeal time frame is determined by the SO.)
- Step 3: The site requests an appeal of the suspension/proposed termination and proposed disqualification.
- Step 4: The hearing is held, and a decision is rendered.
- Step 5: The sponsor informs the site of the hearing decision.
- a. If the sponsor wins the appeal, the sponsor must send a Notice of Termination and Disqualification to the site. The notice must inform the site that:
 - The site's agreement is terminated for cause.
 - The site is disqualified and placed on the National Disqualified List.
 - b. If the sponsor loses the appeal, the sponsor must inform the site that:
 - The site's suspension ended on the date of the hearing decision.
 - The site's agreement is not terminated.
 - The site is not disqualified and can claim for eligible meals served during the suspension.
- Step 6: If the site has been disqualified, the State Agency adds the site to the State Agency list as well as to the National Disqualified List.

HOUSEHOLD CONTACT SYSTEM FOR SPONSORING ORGANIZATIONS

Whenever fraud is suspected and cannot be proven otherwise, the SO will implement the household contact system. If the SO or monitor suspects that the facility is cheating but records indicate compliance, the SO will mail a household contact form to each household who has a child/adult enrolled in the facility. Each envelope will contain a self-addressed, stamped envelope to encourage the household to respond. The form will explain to the household that the facility where its child/adult is in attendance is being reviewed and its response would be appreciated. The areas of the form requesting household response are the months, days, and hours the child/adult was in attendance and when his/her meals were consumed.

The SO will log when the household contacts were sent out and log the responses when any are returned. The parents/guardians will be able to call the SO should there be any questions. The SO must receive at least *two negative* responses before further action is taken against the facility.

If the SO receives two or more negative responses, the SO will prepare a letter that will declare the facility seriously deficient and at that time propose the facility for termination and disqualification from the CACFP. The appeal procedures will be enclosed. The SO will log the seriously deficient status. If the facility does not appeal, the SO will send a termination/disqualification letter to the facility, logging the dates of the termination/disqualification. The State Agency will receive copies of all letters as they are generated. The State Agency, in turn, will send all correspondence to USDA.

SPONSORING ORGANIZATION PROVISIONS

Excerpts from 7 CFR 226.16

(1) Serious Deficiency Process

A serious deficiency is when a sponsoring organization or site is non-compliant with one or more areas of the CACFP. The serious deficiency process offers a systematic way for sponsoring organizations to take actions allowing the site to correct problems and give them an opportunity for due process. If sites are unwilling or incapable of correcting serious problems, the serious deficiency process protects Program integrity by terminating and disqualifying those in noncompliance of Program requirements.

A site may be declared seriously deficient if the sponsoring organization finds Program violations or issues of non-compliance with CACFP requirements at any time during a site's participation. If a sponsoring organization determines that a site has committed one or more serious deficiencies, it must be thoroughly documented. Once a site has been determined seriously deficient, the serious deficiency process must be followed within 10 calendar days. The site must be notified in writing and must be given an opportunity to take corrective action. A serious deficiency determination is not an appealable action. The sponsoring organization must provide a copy of the serious deficiency notice to the State Agency at the **same** time. A site is seriously deficient if he or she does one or more of the following:

If a sponsor has determined that a site has committed one or more serious deficiencies it must:

(1) Identify the serious deficiencies. The sponsor should use its discretion to determine whether the specific problem rises to the level of serious deficiency. Sponsors should consider, but not limit themselves to the following items:

- The severity of the problem. Is the noncompliance on a minor or substantial scale? Are the violations indicative of a recurring problem at the site, or is the problem an isolated event? Even minor problems may be serious if systemic. Some problems are serious even though they have occurred only once.
- The degree of responsibility attributable to the site. To the extent that evidence is available, can the sponsoring organization determine whether the violations were inadvertent errors of an otherwise responsible site? Is there evidence of negligence or a conscious indifference to regulatory requirements? Or, is there evidence of deception, or intentional noncompliance?
- The site's history of participation in the Program. Are problems of noncompliance frequently recurring at the same site?

(2) ***List of serious deficiencies for the sites.*** Serious deficiencies for sites are:

Here is a list examples of how the Sponsor should cite each SD determined with CAP on a site: These are only examples and will vary on a case-by-case basis.

- (i.) 7 CFR 226.16(l)(2)(i)* - Submission of false information on the application;
- (ii.) 7 CFR 226.16(l)(2)(ii)* - Submission of false claims for reimbursement;
- (iii.) 7 CFR 226.16(l)(2)(iii)* - Simultaneous participation under more than one sponsoring organization;

- (iv.) 7 CFR 226.16(l)(2)(iv) - Noncompliance with the Program meal pattern;
- (v.) 7 CFR 226.16(l)(2)(v) - Failure to keep required records;
- (vi.) 7 CFR 226.16(l)(2)(vi) - Conduct or conditions that threaten the health or safety of children in care, or the public health or safety;
- (vii.) 7 CFR 226.16(l)(2)(vii) - A determination that the site has been convicted of any activity that occurred during the past seven years and that indicated a lack of business integrity. A lack of business integrity includes fraud, antitrust violations, embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, obstruction of justice, or any other activity indicating a lack of business integrity as defined by the State Agency, or the concealment of such a conviction;
- (viii.) 7 CFR 226.16(l)(2)(viii) - Failure to participate in training; or
- (ix.) 7 CFR 226.16(l)(2)(xix) - Any other circumstances related to nonperformance under the sponsoring organization-site agreement, as specified by the sponsoring organization or the State Agency.

(Note: An error rate of 25% or more indicates the site is seriously deficient)

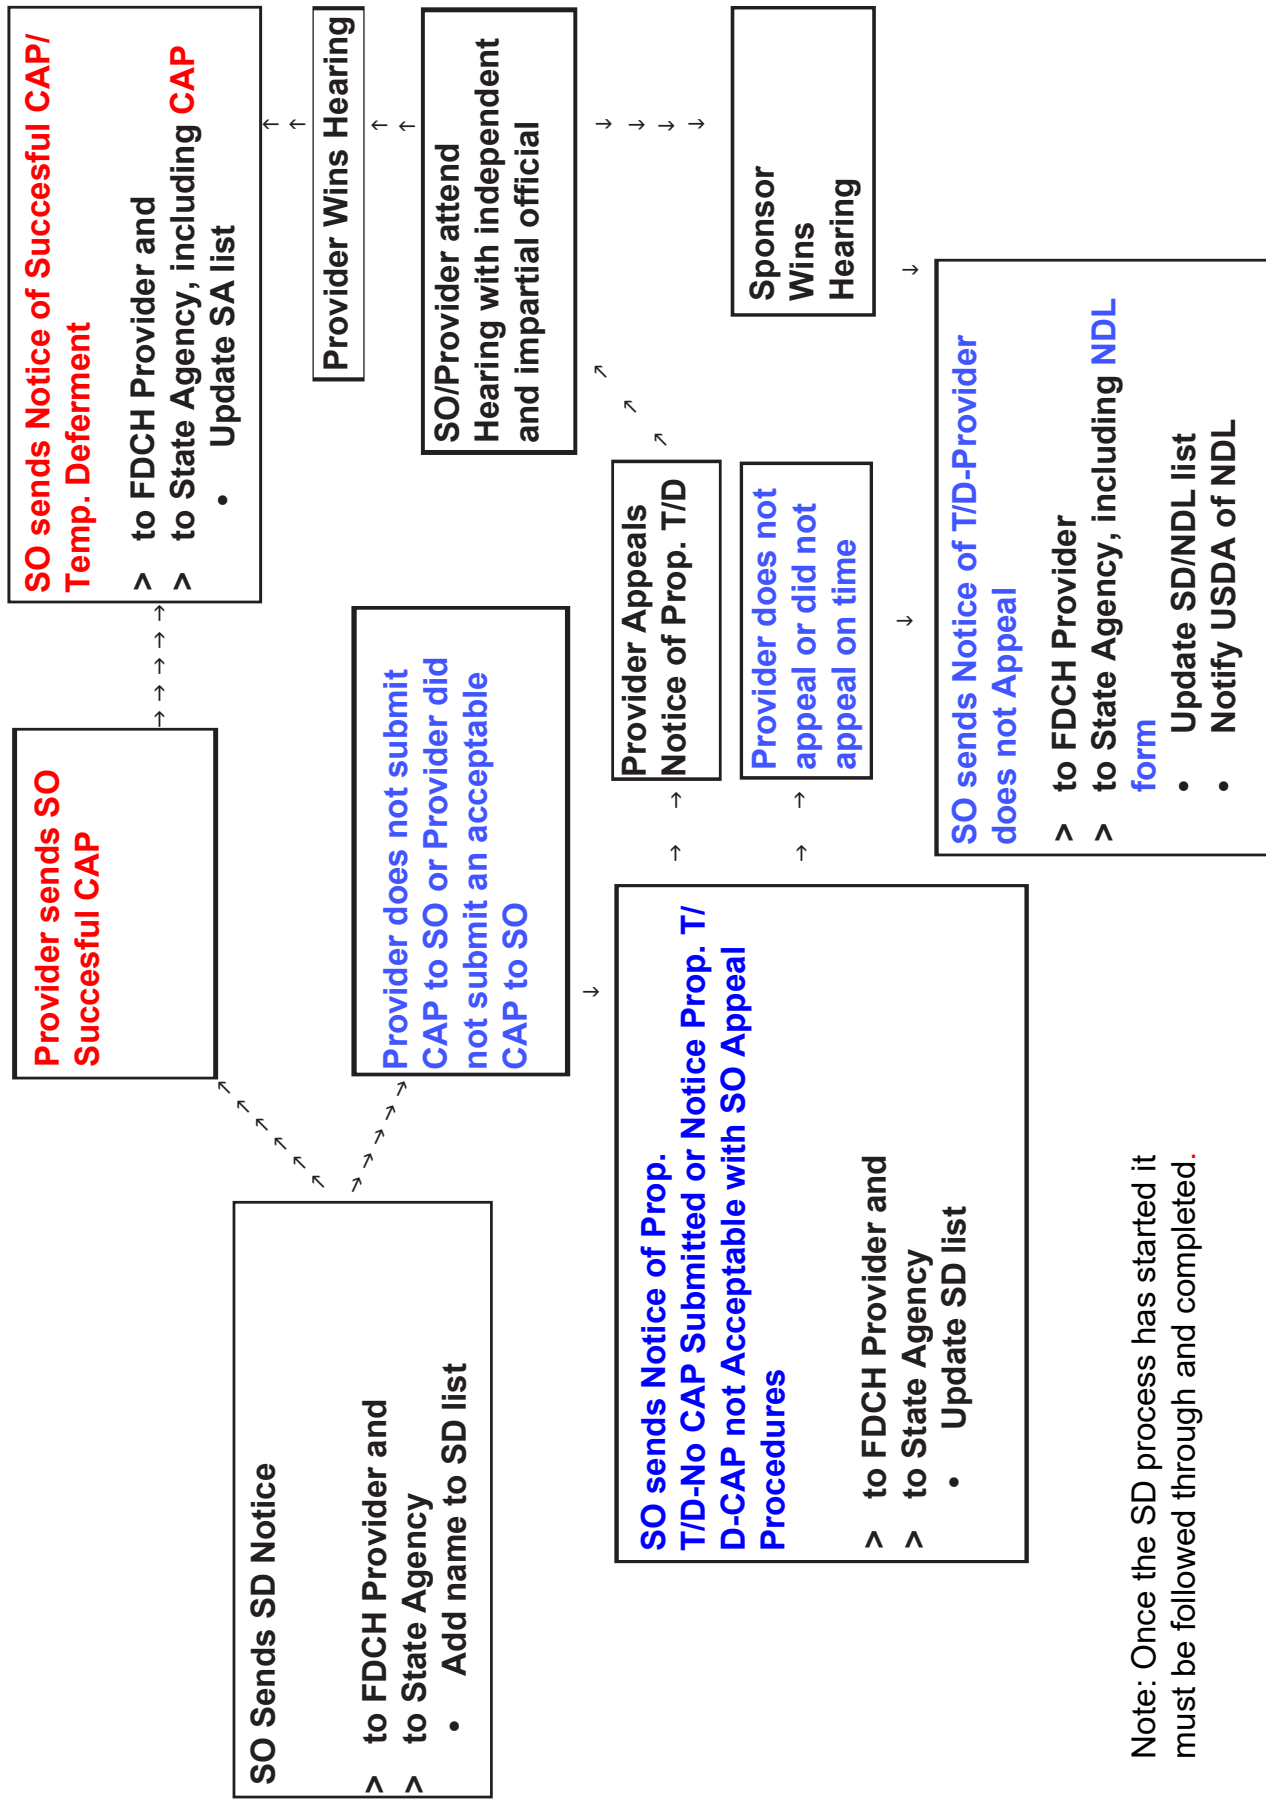

(3) Serious deficiency notification procedures.

- (i) **Notice of serious deficiency.** *Within 10 calendar days*, The sponsoring organization must notify the site that it has been found to be seriously deficient. The sponsoring organization must send a copy of the serious deficiency notice to the State Agency **at the same time**. The notice must specify:
 - (A) The serious deficiencies;
 - (B) The actions to be taken by the site to correct the serious deficiencies;
 - (C) The time allotted to correct the serious deficiencies (as soon as possible, but not to exceed 30 days);
 - (D) That the serious deficiencies determination is not subject to appeal.
 - (E) That failure to fully and permanently correct the serious deficiencies within the allotted time will result in the institution's proposed termination of the sponsor's agreement and the proposed disqualification of the site and its principals; and
 - (F) That the site's voluntary termination of its agreement with the institution after having been notified that it is seriously deficient will still result in the site's formal termination by the State Agency and placement of the site and its principals on the National Disqualified List.
- (ii) **Successful corrective action.** If the site corrects the serious deficiencies within the allotted time and to the sponsoring organization's satisfaction, the sponsoring organization must notify the site, **within 10 calendar days**, that it has temporarily deferred its determination of the serious deficiency. The sponsoring organization must also send a copy of the notice to the State Agency at the same time.

- (iii) **Propose termination/disqualification.** If timely corrective action is not taken to fully and permanently correct the serious deficiencies cited, the sponsoring organization must issue a notice to propose termination/disqualification of the site's agreement for cause. **Within 10 calendar days**, the notice must explain the site's opportunity for an appeal of the proposed termination in accordance with §226.6(1). The sponsoring organization must send a copy of the notice to the State Agency at the same time. The notice must:
 - (A) Inform the site that it may continue to participate and receive Program reimbursement for eligible meals served until its appeal is concluded.
 - (B) Inform the site that termination of the site's agreement will result in the site's termination for cause and disqualification; and
 - (C) State that if the site seeks to voluntarily terminate its agreement after receiving the notice of intent to terminate/disqualify, the site will still be placed on the National Disqualified List.
 - (iv) Program payments. The sponsoring organization must continue to pay any claims for reimbursement for eligible meals served until the serious deficiencies are corrected or the site's agreement is terminated, including the period of any appeal.
 - (v) Agreement termination and disqualification. The sponsoring organization must immediately terminate the site's agreement and disqualify the site when the appeal official upholds the sponsoring organization's proposed termination and proposed disqualification, or when the site's opportunity to request an appeal expires. At the same time the notice is issued, the sponsoring organization must provide a copy of the termination and disqualification letter to the State Agency.
- (4) Suspension of participation for sites.
- (i) General. If state or local health or licensing officials have cited a site for serious health or safety violations, the sponsoring organization must immediately suspend the home's CACFP participation prior to any formal action to revoke the home's licensure or approval. If the sponsoring organization determines that there is an imminent threat to the health or safety of participants at a site, or that the site has engaged in activities that threaten the public health or safety, and the licensing agency cannot make an immediate on-site visit, the sponsoring organization **must immediately notify** the appropriate state or local licensing and health authority and take action that is consistent with the recommendations and requirements of those authorities. An imminent threat to the health or safety of participants and engaging in activities that threaten the public health or safety constitute serious deficiencies; however, the sponsoring organization must use the procedures in this paragraph (1)(4) (and not the procedures in paragraph [1][3] of this section) to provide the site notice of the suspension of participation, serious deficiency, and proposed termination of the site's agreement.
 - (A) Inform the site that it may continue to participate and receive Program
 - (ii) **Notice of suspension, serious deficiency, and proposed termination.** The sponsoring organization must notify the site immediately that its participation has been suspended, that the site has been determined seriously deficient, and that the sponsoring organization proposes to terminate the site's agreement for cause, and must provide a copy of the notice to the State Agency. The notice must:

- (A) Specify the serious deficiencies found and the site's opportunity for an appeal of the proposed termination in accordance with §226.6(l);
 - (B) State that participation (including all Program payments) will remain suspended until the appeal is concluded;
 - (C) Inform the site that if the appeal official overturns the suspension, the site may claim reimbursement for eligible meals served during the suspension;
 - (D) Inform the site that termination of the site's agreement will result in the placement of the site on the National Disqualified List; and
 - (E) State that if the site seeks to voluntarily terminate its agreement after receiving the notice of proposed termination/disqualification, the site will still be terminated for cause and disqualified.
- (iii) ***Agreement termination and disqualification.*** The sponsoring organization must immediately terminate the site's agreement and disqualify the site when the appeal official upholds the sponsoring organization's proposed termination or when the site's opportunity to request an appeal expires.
- (iv) ***Program payments.*** A sponsoring organization is prohibited from making any Program payments to a site that has been suspended until any appeal of the proposed termination is completed. If the suspended site prevails in the administrative review of the proposed termination, the sponsoring organization must reimburse the site for eligible meals served during the suspension period

NOTICE OF SERIOUS DEFICIENCY

The Notice of Serious Deficiency must include the following:

- A description of the *serious deficiency*.
- The *corrective action* required to resolve the serious deficiency and the *deadline* by which the action must be taken. (Sites are allowed up to 30 days to correct a serious deficiency.)
- A statement that indicates the serious deficiency determination is *not subject to appeal*.
- A statement that indicates *failure to fully and permanently correct* the serious deficiency by this *deadline* will result in:
 - The sponsor’s proposed termination of the site’s agreement for cause.
 - The disqualification of the site.
- The notice must also inform the site of whether he or she will receive *Program payments* during the period of corrective action—usually he or she will.
- Enclosure of Corrective Action Plan.
- It must state that if the site *voluntarily terminates* his or her agreement after he or she receives the Notice of Serious Deficiency, the sponsor will still proceed with the intended disqualifications.
- The Notice of Serious Deficiency must be sent by *certified mail/return receipt requested*, an equivalent private delivery service, fax, or e-mail as required by §226.2 in the regulations. If returned *Undeliverable* (at least five days later), proceed with proposed termination procedures. If the U.S. Postal Service is used, the following Web site may be accessed to track and confirm delivery: <www.usps.com/shipping/trackandconfirm.htm>.
- A copy of the documentation must be sent to the State Agency at the same time.
- A copy of the Notice of Serious Deficiency *MUST* be sent to the State Agency.

Refer to the *USDA Seriously Deficient Handbook*

SITE APPEAL PROCEDURES

A site must be provided an opportunity to appeal to the sponsor when there is:

- **PROPOSED** termination of a site's agreement for cause and the related **PROPOSED** disqualification of the site.
- The suspension of an FDCH's participation for serious health or safety violations.

The law does not require an opportunity to appeal other actions, such as the denial of claims or the recovery of overpayments.

Regulations require that a site have the opportunity to appeal a decision to terminate its agreement for cause **BEFORE** the termination takes effect. Thus, the **Proposed to Terminate** action is appealable.

Regulations require that sites be given a copy of the appeal procedures:

- On an annual basis, in the sponsor/site application/agreement.
- Whenever an appealable action is taken.
- Upon request.

Minimum Appeal Procedures

Sponsors must follow the procedures established in the regulations when providing appeals to the site.

- **Uniformity.** The same procedures apply to all sites.
- **Representation.** Sites may:
 - Represent themselves.
 - Retain legal counsel.
 - Be represented by any other person of their choosing.
- **Review of the Record and Opposition.** The site must have the opportunity to review the record on which the sponsor's action was based and refute the action in writing. Sponsors may establish a requirement that the sponsor taking the action has the opportunity to review any documentation or evidence the site intends to offer to dispute the sponsor's action.
- **In-Person Hearing.** Sponsors may choose to offer in-person hearings, but there is no requirement that they do so. A review of the written record provides a sufficient opportunity for sites to contest an appealable action by their sponsor.

- **Hearing Official.** The person hearing the appeal must be:
 - Independent.
 - Impartial.

This means that they must **NOT** have been involved in the action that is the subject of the appeal. Also, they must **NOT** have a direct personal or financial interest in the outcome.

A hearing official may be:

- An employee or board member of the sponsor.
- OR**
- A contractor, such as member of a statewide sponsor association.

- **Deadline for Requesting an Appeal.** This time frame is an administrative requirement for sponsors.
- **Deadline for Submitting Written Documentation.** This time frame is an administrative requirement for sponsors.
- **Basis for Decision.** The hearing official must make a determination based only on the information provided by the sponsor and the site and on federal laws, regulations, policies, and procedures governing the Program.
- **Time for Issuing a Decision.** The hearing official must inform the sponsor and the site of the appeal's outcome within the period of time specified in the sponsor's appeal procedures. This time frame is an administrative requirement for sponsors and may not be used as a basis for overturning the termination if a decision is not made within the specified time frame.
- **Final Decision.** The determination made by the hearing official is the final administrative determination to be afforded the site. The site may not then appeal the decision to the State Agency.

This does not preclude, however, a site from pursuing the matter through a court of law. In fact, a court may refuse to hear a case until such time as all administrative remedies have been exhausted.
