Dear SFA Director:

The 2023 Farm to School Census is currently underway! Remember, it is important that **all** SFAs -- public, charter, and private, whether or not you do any farm to school activities – fill out the Census to ensure the results reflect what’s happening in Oklahoma

If you haven’t already completed the 2023 Census, please do it as soon as possible! We are trying to complete all data collection by 12/31/2023.

Participation in FNS research is required under the National School Lunch Act.

Your SFA’s personalized Census link was sent to you by email from Farm2SchoolCensus@dir-online.com. If you need your link sent to you again, please contact the study project team toll-free at 866-986-2230 from 9 AM to 9 PM ET, or e-mail Farm2SchoolCensus@dir-online.com.

You may need to contact other district or school staff or partners to obtain the information included on the worksheet, such as local purchasing data or the number of edible gardens in your district. You can also share the survey directly by forwarding the email with the Census link.

For additional information about the Census or if you have any questions, please review the [“Frequently Asked Questions” document](#) or contact the study project team.

Thank you in advance for your assistance in helping us gather the best information possible about farm to school!

Sincerely,

Jennifer Weber
