In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the [USDA Program Discrimination Complaint Form](#), (AD-3027) found online at: [http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html), and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

## CHILD NUTRITION MANUAL

### Foreword

The Child Nutrition Manual was developed by the Oklahoma State Department of Education (SDE) Child Nutrition Programs (CNP) Section (hereinafter referred to as the *State Agency*) with the intent to assist school personnel in understanding the policies and procedures of CNP. All items discussed in the manual specifically deal with the requirements of the National School Lunch Program (NSLP) and the School Breakfast Program (SBP) and how implementation of these requirements may be accomplished.

#### *National School Lunch Program*

The National School Lunch Act (NSLA), passed in 1946, established school lunch programs across the nation. The purpose of the program is to safeguard the health and well-being of the nation's children and to encourage the consumption of agricultural abundance. The objectives of the NSLP are to make available to all students a lunch that is nutritionally adequate and acceptable, to provide assistance to participants to ensure that minimum meal requirements are met, and to ensure that all programs are accountable. Lunch meals are only reimbursable when school is in session. (Reference eCFR 210.1-210.33)

#### *School Breakfast Program*

Established by federal legislation in 1966, the SBP received permanent authorization by Public Law 94-105, enacted October 7, 1975. The purpose of this program is to make breakfast available for students who, for various reasons, come to school without an adequate breakfast. Breakfast meals are only reimbursable when school is in session. (Reference eCFR 210.1-210.33)

Other programs administered by the State Agency in which schools can participate are as follows:

- Special Milk Program (SMP)—Milk is only reimbursable when school is in session (Reference eCFR 215.1-215.18)
- After-School Snack Program (ASSP)
- Summer Food Service Program (SFSP) (Reference eCFR 225.1-225.2)
- Fresh Fruit and Vegetable Program (FFVP)—Fresh fruits and vegetables are only reimbursable when school is in session (Reference FNS Instruction 786-7, Rev. 1)

The manual is updated annually, incorporating the latest changes, and is available to all program participants at the CNP Web site listed on the next page. If you have questions concerning any part of the manual, please contact the State Agency at 405-521-3327.

#### Technical assistance

The State Agency strives to provide SFAs and their staffs with quality service and on-site technical assistance. The State Agency has an outstanding staff of area coordinators available to offer their expertise and guidance in all areas or issues pertaining to CNP. Some of the areas are as follows:

- (1) Qualifying for SNB Program
- (2) Analyzing meals per labor hour (MPLH) to determine food service labor productivity
- (3) Determining the highest free and reduced-price eligible students enrolled at school sites
- (4) Conducting a financial analysis of school food service income and expenditures
- (5) Conducting a nutrient analysis of site menus and identifying areas of improvement
- (6) Training new staff in Child Nutrition regulations
- (7) Qualifying for the ASSP
- (8) Completion of the annual NSLP and SBP Application and Agreement and Policy Statements
- (9) Assistance with the electronic claims software
